

VALENCISO

RESERVA

2009

"The 2009 Reserva from Valenciso is a classic Rioja produced with grapes from Rioja Alta in search of the classical profile combining freshness, elegance and power...There are some notes of leather, licorice and fountain pen ink, over a core of ripe berry fruit, with some spicy notes from the oak and a faint animal character. The palate is medium-bodied with some dusty, slightly rustic tannins and a dry finish."
