

contraaparede

2012

"Sold five years after the harvest, the 2012 Contra a Parede is a selection of Adega Eidos' oldest vines from the Salnés Valley, matured for four years in vats in contact with the fine lees. ...a complex nose with aromas of quince and yeasts and more nuances developing as the wine sits in the glass. The palate reveals a serious wine with some restraint, good balance and integrated acidity. This has developed very nicely, offering complexity, elegance and power."

92 Points
