THE WINE:

100% Godello from rare old bush-pruned vines on steep slate slopes. Partially fermented in 500-liter French oak, the remainder in stainless steel with six months of lees contact. Intense ripe floral/citric nose, dense and persistent structure on the palate, lingering mineral finish.

THE WINERY:

Losada Vinos de Finca was established by Bierzo winemaking veterans in 2004, its beautiful ultra-modern facility located in the heart of Bierzo's finest vineyard area, in the very midst of the old Mencía vines. Following an explosive period in which the Bierzo region leapt to worldwide fame on the merits of a few highly-extracted and noticeably oaky wines, Losada's founding philosophy is to take the region's wines to higher level, seeking as a priority elegance, balance and purity of expression. 100% Mencía vineyards owned or managed by Losada are farmed sustainably with yields kept to a minimum. All wines undergo malolactic fermentation in French oak.
