DENOMINACIÓN DE ORIGEN

2014

K5 Argiñano produces extractive, super-dry, mineralic whites worthy of the finest table.

Fifteen acres of Hondarrabi Zuri are dry farmed in slate and granite soils with yields limited to under two kilos per vine.

Udin Berdea is a selection from younger vines, bottled following several months' aging on the fine lees. 30,000 bottles were produced from the excellent 2014 vintage.
