### THE WINE:

100% Tempranillo from three high elevation parcels: El Mirón at 920 meters with 60 year old vines on clay soils; El Gallo at 900 - 960 meters with 30 year old vines on limestone soils; Las Fuentes Viejas at 900 meters with over 80 year old vines on clay and limestone soils. Aged 20 months in French oak, it expresses minerality and lingering black fruit in an extremely terroir-driven and complex style. Intense aromas of black fruit with balsamic and mineral notes, cocoa and coffee. Tasty with a rich and fleshy texture.

### THE WINERY:

The Díaz Bayo family are perennial growers in the village of Fuentelcásped, where viticulture dates to the 1100s and Reconquest of the Duero Valley. Ideal conditions for vines were found along the Arroyo de la Nava, a high valley just ten miles to the southeast of modern-day Aranda de Duero. The estate comprises nearly 100 acres in multiple parcels between 2800 and 3200 feet in elevation, soil types encompassing limestone, marl and clay. Varied exposures further contribute to fruit diversity and extended harvest. The age of the vines, the great majority old-clone Tinta del País, ranges from 12 to 100 years, the average being well over 50 years. Viticulture is organic.
