WINEMAKER: *Josep María Huguet*

TRAINING SYSTEM: *Goblet*

ALCOHOL: *12%*

UPC CODE: *7 37686 08002 5*

### THE WINE:

The Huguet family devotes certain high parcels to the production of world-class sparkling wine, blending the Montonec and Macabeo with a significant percentage Pinot Noir.

Hand harvested and sorted for gentle, pneumatic, whole cluster pressing. The grape must is settled at cold temperature for natural clarification via racking prior to cool fermentation in stainless steel tanks. Aged in bottle a minimum of 30 months, hand-riddled, and without dosage, resulting in absolutely natural, dry CAVA. All bottles are hand numbered with disgorgement date.

### THE WINERY:

Estate founded in 1768 by Don Jaime Feixes and acquired from Feixes descendants by the Huguet family in the late-19th century. Unchanged in boundary since its original founding, Can Feixes is over 1,000 acres of mountainside terrain, the highest vineyard estate in the region at over 1,400 feet.
