

C.H. Berres Estate Riesling 2018

WEINGUT C.H. BERRES

Mosel — Ürzig

THE WINERY

Since 1510 the Berres family has grown and made great Rieslings in the privileged sites of Ürzig, Erden and Wehlen. A division of the family inheritance in 1986 resulted in a period of commercial inactivity, while great wines continued to be made. Markus Berres, 21st generation, succeeded his father Alfred in 2004, relaunching his family's nine-acre estate with updated wines and packages.

THE WINE

This Riesling is sourced primarily from old vines in Wehlener Klosterberg, a superb south facing slope cleared and planted by Carl Hubert Berres in the 1930s. Selected grapes from low-yielding sites in Erden and Kinheim are included, resulting in a complex and intensely-flavored wine.

IN THE PRESS

"Fragrant notes of white blossom and peach waft from this juicy off-dry Riesling. Creamy and luscious in texture, it offers concentrated tangerine and stone-fruit flavors balanced briskly with acidity."

—Anna Lee C. Iijima, Wine Enthusiast, October 1, 2017

DETAILS OF WINEMAKING & VITICULTURE

- Grapes:** 100% Riesling
- Vineyards:** A blend of three different vineyard sites. It combines the richness of of the Wehlener Klosterberg vineyard with the extract of Kinheimer Hubertuslay and the complexity of Erdener Herrenberg. Soil is weathered multicolored slate, deep structure, good water supply.
- Winemaking:** Fermentation 3-4 weeks in stainless steel tanks, aged 4 months on the lees in tank.
- Winemaker:** Markus Berres
- Alcohol:** 11.5%
